Almaden Lake Park

Almaden Lake Park, located at the corner of Almaden Expressway and Coleman Avenue in south San José, is a 65-acre park operated by the San José Department of Parks, Recreation and Neighborhood Services in cooperation with the Santa Clara Valley Water District. The park was once a privately owned rock quarry. The lake is man-made and was progressively formed as a result of the quarry operation that began in the late 1940s.

Visitors can enjoy a wide range of recreational activities including fishing, boating (no power boats), bird watching, bicycling, walking, and roller-skating. Youngsters of all ages can enjoy the variety of equipment in the playground located on the Almaden Expressway side of the park. A playground for ages 2-5 with a water feature is located on the east side of the park at the Winfield Blvd. Entrance. Volleyball, horseshoe pits, and bocce ball courts are available on a first come, first serve basis; you will need to provide your own equipment. Picnic sites are located throughout the park with many available on a first come, first serve basis. Five group picnic areas, suitable for 20-200 people, are available by reservation, including the new Arroyo Picnic area with large a covered area and seating for 200. For reservation information, please call 408-277-2757.

Almaden Lake Park connects two very popular creek trails. The Los Alamitos Creek Trail runs south from the park along the Los Alamitos Creek. This trail runs through natural riparian environments, and connects with Santa Teresa County Park. The Guadalupe Creek Trail runs north of the park from Coleman Avenue to William Cilker Park at Chynoweth Avenue. Both trails offer miles of paved and non-paved access and are very popular with walkers, cyclists, bird watchers, and rollerbladers.

Thousands of athletes make their way to the park every year to compete in the San José International Triathlon that takes place in June to kick off the summer. Later as the Summer is winding down, Almaden Lake Park plays host to the Almaden Valley Art and Wine Festival in September.

Park Rangers are available at Almaden Lake Park to assist you and provide a more enjoyable, educational and safe park visit. Ranger services include: first aid, fire suppression, park interpretation and educational programming. Please call 408-277-5130 for further park information or to make arrangements for a friendly ranger to meet your group.

Alum Rock Park

Alum Rock Park is California's first and oldest municipal park. Nestled within the Alum Rock Canyon in the foothills of the Diablo Range, the park's many acres of natural, rugged beauty provide visitors with many leisure outdoor activities, including hiking, bicycling, family and group picnicking, and of course just relaxing. Picnic tables, barbecue pits, water

and restrooms are available in most picnic areas, with lawns and a children's playground in the mid-canyon area. Reservable picnic areas accommodate up to 300 people. Each area includes tables, barbecue stoves, and nearby restrooms. There are also first come, first served picnic areas. Some of the more secluded sites require a short walk since vehicles are not allowed into the area. For reservation information, please call 408-277-2757.

There are approximately 13 miles of trails including six miles of equestrian trails and three miles of bicycle trails. Hikers are welcome on all trails. Information about volunteer opportunities is available by calling 408-259-5477.

Edenvale Garden Park

Edenvale Garden Park is a wooded treasure with over half a mile of tree lined meandering pathways. The park features a children's playground, picnic area and restroom facilities. There are also three tennis courts, a sand volleyball court, a half basketball court and plenty of lawn space for family fun. The amphitheater has eight log benches, perfect for club or youth meetings. Plenty of free parking is available in the newly remodeled parking lot located off of Edenvale Avenue.

Formerly the home of Frontier Village, the children's playground highlights the Edenvale Garden Train Station in commemoration of the former theme park. Two play areas are designed for toddlers and older children. The Climbing Rock Slide play area is designed for children ages 5-12, and the Tiny Tot Train Depot is for children ages 2-5. The playground area has plenty of benches for parents to observe and relax.

Families can be seen preparing meals away from home in our spacious barbecue picnic sites. Within three separate locations, 23 tables and 11 barbecue pits are available to host your next gathering. All sites are available on a first-come, first-served basis, no reservations. Air Jumpers are not allowed. Once the front yard to the Hayes Family Home (California State Historical Landmark #888), the park area served as a public garden and destination point for many historic San José figures. While taking a stroll, walk in the footprints where many dignitaries and presidents once set their tracks. Visit the Native Oaks and Art Ring displays, symbolizing our valley's past and future. The ring is made with sandstone blocks originating from our local quarries that served many structures in and around the Santa Clara Valley. The indented sandstone carvings are symbolic of the grinding stones once used by our native people. The oak trees predate the theme park, to the time when the Hayes Family owned the land. For more facts and information about the Hayes Family and Edenvale Garden Park, please visit the Hayes Mansion located at 200 Edenvale Avenue. The Hayes Mansion is operated under contract with the City of San José by the Dolce Hayes Mansion Conference and Resort Destinations, and can be reached at 408-226-3200 or at www.hayesmansion.com.

Edenvale Garden Park is open daily from 7:00am until sunset. For more information, please call 408-277-2757. For volunteer opportunities, please contact the Adopt-A-Park Program at 408-793-4190.

Happy Hollow Park and Zoo

Happy Hollow Park & Zoo in San José has been a part of Bay Area families since it opened its' gates in 1961. It is a unique combination of children's rides, amusements, a Puppet Theater, play areas and an accredited Zoo with over 150 animals, from endangered lemurs to African pygmy goats.

A renovation that includes a new education center, animal care facility, retail shop, animal barn, new rides, new zoo exhibits, and an entry plaza with a commissioned piece of public art. Also in keeping with Happy Hollow's conservation mission and the City of San José's mission to build greener, the design and construction of the "New" Happy Hollow Park & Zoo will implement many green building components and when completed we will be applying for L.E.E.D. (Leadership in Energy and Environmental Design) certification, not just for one building, but the entire facility!

Phase 1 of the construction on the "New" Happy Hollow has begun. Phase 2 will begin July 9th 2008 at which time the entire facility will close its doors until completion of the improved Happy Hollow Park and Zoo! Projected opening is mid September 2009. Adopt-A-Trail Program

Contribute to the enhancement and safety of your community's trails. Enthusiasm and dedication are the only prerequisites to adopting a trail in San José.

Adopting a trail is easy and offers the community an opportunity to share in improving and enhancing the City's trail system. By participating in the Adopt-A-Park/Adopt-A-Trail (APAT) program, our trails will receive the personal care and attention they need in order to maintain a safe and clean environment. Individuals, groups, neighborhood associations, religious institutions, schools and businesses are all welcomed and encouraged to participate.

The City of San José provides routine trail maintenance; however, the adopting individual or organization is responsible for giving the trail the extra care and attention it needs.

The City of San José will. . .

- Provide the group coordinator with a list of available trails or any other information which may be helpful in selecting a location;
- Provide trash bags, litter sticks and gloves;
- Provide safety guidelines, trash removal and recycling information;
- Provide guidance for any special events or projects that you may want to do within your adopted trail.

Adopters Agree To. . .

- Clean their park or trail at least once a month;
- Pick up litter/debris and place the filled trash bags in the designated areas;
- Make requests for any special projects in writing;
- Report any vandalism or potential safety hazards found in their adopted space.

Adopt-A-Park Program

Do you need community service hours? Do you want to make a difference in your community? Adopting a park is a great way for San José residents to demonstrate civic pride, while making a positive change in their community. By uniting with others who share a common interest in improving and maintaining the City's parkland and open spaces, volunteers improve the safety of these areas and contribute to a notable decrease in vandalism and pollution. ANYONE can adopt a park! Our volunteers include individuals, neighborhood associations, schools (students), church groups, senior citizens, youth groups, scouts, and businesses. Volunteers help care for their adopted areas in the following ways: picking up litter, removing graffiti, raking leaves, pulling weeds, sweeping courts and pathways, caring for trees, planting flowers and shrubs, and reporting park hazards.

Volunteers are needed to assist existing volunteers at open and adopted parks. Contact the Adopt-A-Park office TODAY with a request to adopt a neighborhood or regional park on City of San José property by visiting our Web site at www.sjadoptapark.org or by calling 408-793-4190.

To participate in upcoming events, such as, the National River Cleanup (NRC) and Coastal Cleanup Days (CCD), please contact our office or visit the Creek Connections Action Group Web site at www.cleanacreek.org.

Anti-Graffiti/Litter Program

The Anti-Graffiti/Litter Program is designed to further beautify San José by preventing and removing graffiti and litter. This is done through community involvement, eradication and enforcement. Community involvement is the key to the long term success of the program. There are over 2,800 Pick-Up San José litter volunteers and nearly 3,000 Adopt-A-Block Graffiti volunteers.

If all the bags of litter picked up by all participating Pick-Up San José organizations and volunteers from July 1, 2002 (11,475,943) were lined up next to each other, the line would stretch for 7,057 miles spanning a distance from San José to Ushuaia, Argentina.

The Anti-Graffiti Program has evolved over the past few years with innovative thinking, collaborative, community pride and government support.

For free paint or solvent to remove graffiti, call 408-277-3208. To report illegal dumping, call 408-277-4373. To volunteer for Pick-Up San José, call 408-277-3208. To report graffiti, residents can call the Anti-Graffiti Hotline at 408-277-2758.

Neighborhood Development Center

The mission of the **Neighborhood Development Center (NDC)** is to build strong neighborhoods by connecting individuals to information, technology and opportunities for civic engagement. The services provided by the NDC are designed to build the leadership and capacity of residents to attain their neighborhood goals.

The NDC provides free training courses and workshops through the Community Leadership Academy to build the leadership capacity of the community leaders and residents of San José. These trainings offer a broad range of services designed to meet the needs of both individuals and community groups.

I. Community Leadership Academy

The Community Leadership Academy includes various topics such as organizing communities, creating newsletters, grant writing and other trainings as requested. The NDC trainings are a concerted effort to meet the personal and professional needs of City staff and community members.

All academy classes are **FREE** and are offered to all interested residents of San José. To obtain a schedule of our trainings, register or ask for translation services, please contact the NDC at 408-723-4114 or email at ndc@sanjoseca.gov

Neighborhood Assistance

The NDC offers the following assistance for neighborhood organizations:

- Establishing Neighborhood Associations
- Accessing City Services

II. Newsletter

E-Blast - The NDC Monthly Newsletter is published and distributed to neighborhood associations and NDC participants. It is used as a vehicle to share information on City programs and services with neighborhood residents. Success stories from communities are highlighted in our quarterly newsletter.

III. The Office of Keep San José Beautiful

“Keep San José Beautiful” was founded in 1986 by the Mayor and City Council to empower citizens to actively take part in making San José a more beautiful place in which to live, work or visit, and is now at NDC.

The Office of Keep San José Beautiful is dedicated to educating the public on a wide variety of beautification and environmental issues aimed at improving the quality of life in the city. The Keep San José Beautiful Program and Volunteer Steering Committee exists for the purpose of making San José more beautiful through advocacy, education, and empowerment. Keep San José Beautiful programs and activities augment other City programs and departments by empowering citizens to volunteer at a neighborhood and citywide level. Keep San José Beautiful is a catalyst for bringing these volunteers' visions to the forefront. For additional information on Keep San José Beautiful, please visit www.sjbeautiful.org
